

Bitfarms Provides Corporate Update

10.03.19

TORONTO & BROSSARD, Québec--(BUSINESS WIRE)-- Bitfarms Ltd. (“**Bitfarms**”, or the “**Company**”) ([TSXV:BITF](https://www.tsx.com/quote/BITF)), announces that Pierre-Luc Quimper has elected to resign as an Officer and Director of Bitfarms and its subsidiaries, effective today. The Company does not expect this to have an impact on daily operations and Mathieu Vachon, a Founder of Bitfarms and current Director of Software Engineering will continue his oversight of the Company’s operations. The Company extends its gratitude to Mr. Quimper for his contribution to the Company and wishes him the best in his future endeavours.

About Bitfarms Ltd.

The Company owns and operates computing centres that power the global decentralized financial economy. Bitfarms provides computing power to cryptocurrency networks such as Bitcoin, earning fees from each network for securing and processing transactions. Powered by clean and competitively priced hydroelectricity, Bitfarms operates 5 computing centres in Québec, Canada. Bitfarms’ experienced management team includes industrial-scale data centre operators and capital markets professionals, focused on building infrastructure for the future by developing and hosting the ecosystem growing around blockchain-based technologies.
